PRESIDENT'S MESSAGE

2901 Silverleaf Dr.
Austin, TX. 78757
512/452-2675

Dear fellow members — At the conclusion of last month's message I mentioned that I'd give you more convention news next month. So, here goes. You may recall that TNA and Security Financial Group, from the Dallas area, have had some contact in recent months. Security was to offer some different insurance plans to the TNA membership at group rates. The potential of this was of some interest to some of our members. A representative of Security met with the Governing Board and gave a brief presentation and promised to send each officer a packet of information in order that we could be better informed before making a decision regarding their offer. At this point we have not heard anything more from them. When we do, you, the membership, will be kept apprised.

The Board approved the offer by River Oaks Printing Co. of Fort Worth to continue printing **TNA NEWS** at no increase in costs. For this, River Oaks, we thank you. The Board also approved awarding a Life Membership to Frank Galindo, our Medals Officer and District VII Governor, for his contributions over the years to TNA. Frank has designed several of our annual medals and has done the artwork on several others.

Approved for induction into the TNA Numismatic Hall of Fame were: Mrs. Ada Lee Chisum of Pharr, D. O. Joplin of Levelland and Jerry Williams of Beaumont, each of whom is highly deserving of this honor. Appointed to serve on the TNA Hall of Fame Selection Committee were: Chairperson Miriam Gilmore of San Antonio, Norma Mather of Weslaco and Bob Medlar of San Antonio.

The Governing Board also approved the appointment of Mrs. Linda Caylor of Amarillo to serve as Governor of District XI. Linda will help to develop renewed interest in numismatics in that District. All appointive officers were reconfirmed by the Board but for the Youth chairman post. This is now held by Ralph W. Ross of Sugar Land. Ralph teaches math at Clements High School in Sugar Land and sponsors the coin club there. He has been a collector for 32 years and is very active in his community as well as in the Greater Houston Coin Club. Ralph was instrumental in having so many exhibits by the young numismatists of the area at our recent convention in Houston. Ralph, we all look forward to working with you.

Please don't forget that currently Life Memberships are $150.00 but will increase to $200.00 on January 1, 1989. Three years as a member in good standing is a requisite. The $150.00 may be paid in monthly installments of $12.50 each. Now is a good time to take advantage of the present rate. See ya' next month.

NEW AWARD FOR CLUBS

The Texas Numismatic Association governing board placed the stamp of approval on a new award for TNA member clubs as introduced by Chris Johns, TNA District 6 governor. The award will be given to a club showing the most outstanding publication issued for its members. Clubs — take note of the criteria and participate!

The contest is open to any TNA member club within the state.

Publications will be judged on the basis of general appearance, newsiness, composition, aptness of illustrations and relative interest. The publications must also have been issued on a regular basis.

To enter, a club will submit a complete volume of its yearly publication by first-class mail, along with the name and address of the sender, to TNA CLUB PUBLICATION CONTEST, in care of the Secretary, whose name and address appear monthly in the **TNA NEWS.** Deadline for submitting entries is December 31, yearly.

Winners of the competition will be named during the Governors and Representatives breakfast at the annual TNA convention.

Besides entering their own publication into competition, state clubs are urged to submit files of the newsletters received by them, regularly on an exchange basis, with clubs outside the state.

The awards will consist of (1) a plaque for the club whose newsletter is deemed best; (2) a certificate for the editor of that chosen newsletter; and (3) a certificate of merit to the out-of-state club whose newsletters (received on a regular exchange basis by Texas clubs) have been deemed best.

Judges, not to exceed three persons, for this contest will be members of the NUMISMATIC LITERARY GUILD, and will be appointed yearly by the President.

The President will also cause notice of this award to be issued in the pages of the **TNA NEWS** prior to the December issue, yearly, so that clubs will be reminded to submit their entries.

TNA TO TRAVEL TO EL PASO FOR 1989 COIN CONVENTION

The International Coin Club of El Paso will host the 1989 Texas Numismatic Association convention on April 28, 29, 30 in the South Hall of the El Paso Civic Center. Hotel headquarters will be the Westin Paso del Norte Hotel across from the Civic Center.

Bourse applications are now being accepted by the bourse chairman, Walt Woelper, P. O. Box 3535, El Paso, Texas 79923.

Convention details will be announced as information is released by the host club.

HUGH McCULLOCH OPPOSED 1863 NATIONAL BANK ACT

Frank Clark
Carrollton, Texas

Hugh McCulloch appears on large size national bank $20 notes of the Third Charter Period. These were issued from 1902 to 1929. In July, 1929, they were discontinued and were replaced by small size national bank notes of completely new designs. But, who is Hugh McCulloch and what did he do to appear on our nation's currency?

Hugh McCulloch was born in Kennebunk, Maine on December 7, 1808. He attended Bowdoin College and studied law in Boston. He moved to Fort Wayne, Indiana in 1833. In 1835 he became cashier and manager of the Fort Wayne branch of the State Bank of Indiana. In 1856 he was named president of the bank

He was opposed to the National Bank Act of 1863 which established federal control over the issue of currency. However, he was invited by Secretary of the Treasury Salmon P. Chase to assume the new office of federal comptroller of the currency, which the act had created and to carry out its duties. McCulloch served until 1865, when President Lincoln named him as secretary of the treasury. As secretary, he worked to reduce the Civil War debt and he advocated the retirement of legal tender (greenbacks) notes. He also wanted the nation to return to specie payments — a program which Congress adopted on a limited scale in 1866 and abandoned again in 1868.

He retired in 1869 at the end of President Johnson's administration. He then became a partner in Jay Cook's banking house and ran the branch in London, England during the 1870's. He served as secretary of the treasury again during the last six months of President Arthur's administration (1884-1885).

He died on May 24, 1895 in Prince George's County, Maryland.

RALPH ROSS
YOUTH CHAIRMAN
3514 Meadowcrest Lane • Sugar Land, Texas 77478
713/980-0971

I wish to thank all the TNA members and TNA President Mac Kennady for appointing me as Youth Chairman at the TNA convention held in Houston. Any junior member needing help of any kind, please call on me.

For my first message I want to tell you about the very active junior club we have at Clements High School named Clements Coin Club of Sugar Land. The club held their first annual awards ceremony after school on May 26 when new officers were installed. Serving for the school year (1988-89) are Kwan Shek, president; Anthony Fischer, 1st vice president; Christina Burleson, 2nd vice president; Todd Clampffer, secretary; Angelika Stoev, treasurer; and Keith Marrero, historian and Greater Houston Coin Club junior Board member.

Three hard working seniors were awarded silver Graduation bars: Jill Saint James, Adriana Monteiro and Ana Luisa Ortiz. Darren Davis received a plaque for Top Recruiter and 37 club members received Certificates of Appreciation for numismatic participation. Ana Luisa was also honored with a special medal in recognition as the outstanding worker of the school year.

I am pleased, also, to announce that Ana Luisa, Darren and Kwan were awarded American Numismatic Association Summer Seminar Young Numismatist Scholarships and they will spend one full week in Colorado Springs reading, writing, eating, sleeping and dreaming **NUMISMATICS.** Kwan and Darren have also completed the TNA Bronze Medal Project and have received their silver TNA Alamo medal.

Special thanks go to the following for their time and donations to the juniors: Francis and Nela Runkle, Jay Jackson, Alan Goldsmith and Paul and Gloria Garner.

'Til next time ...

YOUNG NUMISMATISTS' SEMINAR

Heather Grubb, TNA Junior Member
San Antonio, Texas

The Young Numismatists program was held in Salon E at the Adam's Mark Hotel in Houston, Texas. The subject was U.S. paper money, chaired by Mr. Stephen R. Taylor, the president of the American Numismatic Association. Fourteen attended, including myself.

The slide show began at 2:13 and ended at 2:36 p.m. After the slides there were questions about them and other subjects. Prizes were awarded to correct or almost correct responses. Girls and boys both won prizes.

I was among one of the girls and received a 1956 proof Lincoln cent for answering the question "What do the initials VDB stand for?"

The event was educational and pretty interesting.

JUNIORS AT SEMINAR

Attending the Young Numismatists' Seminar during the TNA convention in Houston were Heather Grubb, Darren Davis, Russell Terral, Stephen Taylor, ANA president who arranged the seminar, Ana Luisa Ortiz, Angelika Stoev, Keith Marrero and Anthony Fischer.

Two more Young Numismatists strike silver! Heather Grubb, San Antonio, District 7, and Jeff Hurt, Sundown, District 9, have completed all 8 activities of the TNA Bronze Medal Project and earned their Alamo silver medal. A cordial welcome to the new Bronze Medal Project participants. They are: Analyse Davis, Keith Marrero, Russell Terral, Spencer Childers, Jill Saint James, Blake Clampffer and Todd Clampffer.

The Numismatic Spotlight shines on Darren Davis this month. Darren is 16 years old and a 10th grader at Clements High School in Sugar Land. He developed an interest in collecting coins while traveling overseas. He has been collecting coins for seven years and his interest is primarily in foreign, U.S. silver and gold coins. During his overseas travels he collected coins from more than 50 different countries. At school Darren is an active member of the Clements Coin Club. His other hobbies are remote helicopters and planes, as well as sailing and fishing. At the recent TNA convention in Houston, Darren was presented with two first place exhibit awards. One exhibit was titled "My New Zealand Coins," and the other "The Johnson Space Center — Houston, TX," displayed Houston related numismatic items.

Joe B. Davis, a long-time District 8 Governor, a loyal and staunch supporter of TNA, died recently. Last year when I implemented a TNA Bronze Medal Sale Drive, Joe was instrumental in helping to make the sale most successful. He sold the most bronze medals and was awarded a plaque for his outstanding efforts. I could always depend on Joe to help with any TNA medals project. I will miss him and our TNA family will always remember his love for TNA.

A special thanks to our TNA President Mac Kennady for all his help and support with the TNA Bronze Medal Project. Many thanks to the following TNA members who are dealers that so generously donated numismatic items to be given to Young Numismatists in addition to their bronze medals: Dalton Adams of Hemisphere, Charles Green of Ralph's Precious Medals, Gene Wheeler and Ray Whyborn of Gene's Coins, Paul Garner of Vest Pocket Coins, Doc Klein of Albuquerque World and Louis Berkie of Elbee Co.

Until next time — have a great summer.

WE DISAGREE

Mail order deception and "fast buck artists" have infiltrated the hobby, prompting strong concern. So much so that many collectors have had their perspectives clouded, and now lump all hobby publications into that "soiled" category.

Well, we disagree! Because, at NUMISMATIC NEWS, we take special pains to protect the interests of our valued subscribers.

And we do it constantly.

To begin with, not just anyone can utilize our pages. NUMISMATIC NEWS advertisers must pass a strict screening policy. And to continually affirm advertiser integrity, we spend thousands of dollars annually conducting an ongoing "blind testing" program, and recognize solid advertising practices with our own seal of approval. It's the Krause Publications' Customer Service Award, a symbol respected industry-wide.

Others may talk a good game, but at NUMISMATIC NEWS it's a solid policy of action that keeps us standing out above the rest. That's why we disagree with those who condemn all numismatic advertising. You can rely on NUMISMATIC NEWS to provide a favorable climate for both buyer and seller. One that fosters a fair exchange — every time you do business through our pages.

THE RARITIES GROUP.

As experienced buyers of U.S. coinage know, The Rarities Group, Inc. is the "One To Beat" on the auction circuit. But did you know that we actually buy far more coins privately or in dealer-to-dealer transactions than in auctions?

The fact of the matter is we pay consistent and fair prices for all your coins, i.e. we won't just cherry pick.

Currently, we are in need of quality U.S. rare coins whether they are "raw" (uncertified) or certified (PCGS or ANACS). For certified coins we pay competitive sight unseen prices and will pay a premium for select quality.

So, if you're a dealer, collector or an attorney or banker handling an estate, do us both a favor – contact our office and ask to speak with Martin Paul or Stu Levine.

BRITANNIA PASSES ANCIENT TRIAL OF THE PYX WITH FLYING COLORS

Britain's new gold bullion coin the Britannia, issued in October 1987 was weighed and measured at the Trial of the Pyx in London and the favorable verdict delivered.

The Trial of the Pyx is an examination by jury to ascertain that the gold, silver and cupro-nickel coins produced by the British Roval Mint are of the proper weight, diameter and composition required by law. The trial which is presided over by the Queen's Remembrancer, has a history dating back more than 700 years. The earliest known writ ordering a trial is dated 1282. The independent jury consists of Freemen of the Goldsmiths' Company.

For the purposes of the Trial a specific number of coins is required to be placed in the Pyx, or box, and presented by the Officers of the Mint for examination. In the case of the Britannia gold coins for example, from every 2,000 coins produced, one must be put in the Pyx. Officials of the National Weights and Measures Laboratory of the Department of Trade produce the standard trial plates of gold, silver, copper and nickel for use in the Trial.

The jurymen check the numbers and denominations weigh the coins and carry out assays to test accurately the fitness or composition by comparison with the standard trial plates. The verdict of the jury is delivered to the Queen's Remembrancer in the presence of the Chancellor of the Exchequer, who is Master of the Mint, and is subsequently published in the London Gazette.

Speaking at the Trial, the Chancellor of the Exchequer, Nigel Lawson, spoke with pride about the success of the Britannia. 'The coins have been well received in all markets and the Mint is justifiably enthusiastic about the potential for future sales. Britannia is a beautiful coin' he added, "produced to the highest standards. It is a worthy product for a mint with a history as illustrious as ours, and with such a long established reputation for producing gold coins of international appeal."

Struck in 22-karat gold and legal tender in the United Kingdom, the Britannia is issued in four denominations containing one ounce, half ounce, quarter ounce and one-tenth ounce of pure gold. The face values of 100, 50, 25 and 10 respectively are the highest of any major gold bullion coin currently available. Limited mintages of proof Britannias were authorized and sold out within weeks. An announcement regarding the 1988 proof Britannias is expected shortly. Meanwhile, the finding of the Britannia's accuracy as confirmed at the Trial of the Pyx, serves well to emphasize the British Roval Mint's own guarantee, that 'each piece contains not less than the stated amount of gold.'

AARON BURR CONSPIRACY

Larry Heagle
Fort Worth, Texas

Revolution or evolution is the question in the history of Texas. What Aaron Burr ultimately intended to do after leaving the vice presidency in 1804 has remained unclear to this day; his impulses in this decision were consciously opportunistic. Whenever the opportunity became available, he would seize upon it whether this meant a war against Spanish Mexico, a cession of the West from the Union, or both, or as he steadfastly maintained, the development of a land scheme on the Louisiana-Texas border known as the Bastrop Grant. Even when in flight from the scene of the fatal duel with Hamilton, he had taken time in New Jersey to make conversation about a seaborne adventure against Spanish Florida or Mexico.

American pressure on Spain had resolved what had until then seemed like an inevitable clash of arms on the Texas Frontier. On March 6, 1807, the former vice president was recognized and captured and three weeks later in Richmond, committed to jail. Aaron Burr was not proved to be guilty by the evidence submitted to the jury in United States vs Burr.

In 1836, Aaron Burr died but the cession of Texas from Mexico succeeded. The Texas Centennial half dollars of 1934-1938 carry portraits of Sam Houston and Stephen Austin, founders of the Republic and the State of Texas. Burr started the idea of a new country in Texas, but it became a state in 1848.

Seven flags have flown over Texas: Spain, France, Mexico, Republic, United States, Confederate and the United Nations. Many coins, medals and tokens are available depicting Texas history.
